MEMORANDUM FOR THE RECORD

30 December 1976

SUBJECT: SSCI Request for Document re Antonio Veciana

In response to the inclosed 20 December request from the Senate Select Committee on Intelligence, on this date I showed the NSA product on Antonio Veciana, 3/0/TRIG- T23-62 dated 29 November 1962, to SSCI staffers Tom Moore and Howard Liebengood. They were quite interested in this message and a reference to "Serafin." They indicated that the Committee would request a review of all Cuban material for the period 1961-1965.
